VOTING RIGHTS! The Battle We Must Fight and We Will Win!

They want to take back the rights won with the blood, sweat and tears of our forefathers and mothers with policies such as:

- A **new Poll Tax** disguised as Voter ID,
- **Cuts to Early Voting**, ending Same-Day Registration and banning Sunday Voting;
- **Taking away a \$2500 tax credit** from parents whose children do not vote at home while they are in college;
- Making felons who have served their debt to society wait another 5 years and get supported by a unanimous decision by the local board of elections to get back their right to vote;
- And **other initiatives to make it harder for people to vote.**
