

Twitter Power Academy:

Building Twitter Power *of, by, and for* Working People in North Carolina — FREE Intro Webinar Jan. 10th

2018 will be an important year for working people to turn resistance into action and to organize and mobilize, both in person and online. North Carolina's labor federation is hosting a 7-session "Twitter Power Academy," facilitated by Social Movement Technologies, to train and equip you on how best to use Twitter with tools to shape news coverage, recruit influential allies to our causes, and hold elected officials accountable.

Sign up for a FREE, 30-minute intro webinar at 11:00am ET on Wed., January 10th that will highlight the past effectiveness and future utility of Twitter organizing in North Carolina. Registration is open to anyone.
